Women's Conference Nashville, TN November 6-8, 2022

Session Topics

Farming and Family panel - farmers from North Dakota, Wisconsin, and Oregon share their experiences of juggling family, work, and farm life.

Leadership is Simple, But it's Not Easy workshop - This workshop will help you learn what leadership truly is, how you fit in and how to influence others and add value every day!

Understanding Insurance - This session will focus on creating a better understanding of insurance with a focus on application for farmers.

How Cooperatives Make an Impact - Cooperation is adaptable and impactful. This session will look at cooperation in action, exploring real-world examples demonstrating how cooperatives meet a diverse range of individual and community needs.
